I registered online but didn't get an email confirmation or receipt yet.
You should receive a confirmation from enquiry@singaporewshconference.sg immediately after you've completed your registration. If you do not see the email in your inbox, then please check your spam/ junk folder. Make sure you add enquiry@singaporewshconference.sg to your safe sender list for updates on the event!

Do I need to download any software to access the event streaming site?
There is no need to download any software. To ensure the best viewing experience, make sure you have the latest version for Google Chrome, Firefox, Edge, Opera, or Safari.

Can I register more than one person at a time?
Yes, you can register as a group (minimum of 3 participants) and enjoy a discounted rate.

Do I have to register if I just want to watch the recordings?
Yes, you must be registered to access any Conference content, both live and recorded.

When will I get the link to the event streaming platform?
A few days before the Conference starts, you will receive a link that will grant you access to the event streaming platform.
What is the Singapore Workplace Safety and Health (WSH) Conference about?
The Singapore Workplace Safety and Health Conference is the premier platform for the promotion of workplace safety and health thought and practice in Singapore and the region. In 2020, the Conference will engage participants to share best WSH practices, ideas and experiences to manage a business amidst the COVID-19 pandemic where it has impacted the work, health and safety of employees.

When and where will the Singapore WSH Conference be held at in 2020?
The Singapore WSH Conference will take place on 17-18 November 2020 as a virtual conference.

Why should I attend the Singapore WSH Conference?
The virtual conference will explore the interdependence of a business with its people, and how managers today can create a sustainable business culture; the impact of digitisation, mental health, workplace transformation; and the future of work. Business owners will gain valuable insights into how best WSH practices can help the business to build its resilience.

Participants can expect to:
- Gain valuable insights into how workplace safety and health can effectively transform their business operations and take their business to the next level
- Navigate the varied facets of workplace safety and health to create safer, healthier workplaces
- Empower their employees to contribute to a sustainable culture of care, trust, and risk prevention in the workplace

Who should attend?
WSH regulators and policy makers, industry leaders, business decision makers, human resource and organisational development professionals, and safety professionals.

Where can I find out about the speakers?
